

Wig

Airfare

You people think I'm late but I don't care.

I just found the way to get out of here.

I'm on the edge of my seat inside a nightmarish dream and I'll
end up where I'm goin' once again.

wooo

There are not rules in love & hate.

and I'll wave the flag to separate two rabbits caught in the fl
ood, all over glorious blood and I'll end up where I'm goin' on
ce again.

wooo

We'll take your wig off.
