Put A Little Love In Your Heart

Seguerra, Aiza

Think of your fellowmen Lend them a helping hand (Put a little love in your heart) That's right now, baby

You see it's getting late Oh please don't hesitate (Put a little love in your heart)

And the world will be a better place And the world will be a better place For you and me You just wait and see

Another day goes by Still the children cry Put a little love in your heart

If you want the world to know We won't let hatred grow Put a little love in your heart

And the world will be a better place And the world will be a better place For you and me You just wait and see

Yeah yeah yeah... Put a little love... Put a little love... In your heart Put a little love in your heart Put a little love in your heart

Take a good look around And if you're looking down Put a little love in your heart

I hope when you decide Kindness will be your guide Put a little love in your heart

And the world will be a better place And the world will be a better place For you and me You just wait and see

Yeah yeah yeah... Put a little love Put a little love in your heart That's right now, baby Put a little love in your heart Put a little love in your heart Love in your heart

And the world will be a better place And the world will be a better place

For you and me You just wait and see

In your heart Put a little love in your heart That's right now, baby Put a little love in your heart Put a little love in your heart Put a little love in your heart Put a little love Help me out!
