

Man Without Faith Or Trust

Akercocke

Walking on water
Water into wine

Fear is the opiate [Incomprehensible]

Clotted screams [Incomprehensible]
Never ceasing repeating

Silence, words of righteousness
Fill the angel's mouth
The angel's mouth
Fuck the mouth

Immerse the soul in oblivion
An abyss of hallucinations
With time standing still
Standing still

Waiting patiently
Waiting patiently
Under a Judas goatskin
Waiting patiently

To catch the life you throw away
With time standing still
Observing chaos in action
Confront the real and ideal
