

# All Or Nothing At All

Al Jarreau

Everyday we go through  
I do something that will please you baby  
And I know having you around  
Well, just keeps me grounded

If I get jealous, if I act like a fool  
It's an overreaction to loving you

I want it all or nothing at all  
That's what I need from you  
And baby it's true  
I'll be there whenever you call  
But I need all or nothing at all

All other men try for you  
They won't give you what I do now, baby  
I won't share, want you to myself  
So I'll keep trying

Gonna make my lovin' the best it can be  
'Cause I need your devotion desperately

All or nothing at all  
That's what I need from you  
And baby it's true  
I'll be there whenever you call  
But I need all or nothing at all

Just tell me now that there's no other man  
'Cause I don't want my heart broken up again  
And when you say that you'll never let go  
Only then will I know, woah

I'll be there whenever you call  
But I need all or nothing at all  
Lay your love on the line  
Right now, I need you to  
Lay your love on the line, baby

I'll be there whenever you call  
But I need all or nothing at all

All or nothing at all  
That's what I need from you  
And baby it's true  
I'll be there whenever you call  
But I need all or nothing at all

All or nothing at all  
That's what I need from you  
And baby it's true  
I'll be there whenever you call  
But I need all or nothing at all
