

Fallin'

Al Jarreau

Misty water colors
Raining trees and flowers
All inside a picture frame
Silent galleria
Quiet nostalgia
Sweet images remain
Just a face and a memory
Can't forget you were so near to me

I'm always...fallin'...lovin'...leavin'
Always...fallin'...lovin'...leave and
Then begin again

Another night in Paris
Misty eyes and hair
Fashioned by the wind and rain
Another night to cherish
Pressed inside a heart
Where the images remain
Painted spaces and memories
Quiet places remind me
You're still by me
