

# Go Away Little Girl

Al Jarreau

Go away little girl  
Go away little girl  
I'm not supposed to be alone with you  
I know that your lips are sweet  
But our lips must never meet  
I belong to somebody else  
And I must be true.

Oh go away little girl  
Go away little girl  
It's hurting more the longer that you delay  
When you are near me like this  
You're much too hard to resist  
Go away little girl  
Before I beg you to stay.

I know that your lips are sweet  
But our lips must never meet  
I belong to somebody else  
And I must be true.

Go way little girl  
It's hurting me the longer that you delay  
When you are near me like this  
You're much too hard to resist  
Go way little girl  
Before I beg you to stay.
