One Note Samba

Al Jarreau

La, la la la...

This is just a little samba

Built upon a single note

Other notes are bound to follow

But the root is still that note

Now this new note is the consequence Of the one we've just been through As I'm bound to be the unavoidable Consequence of you

There's so many people
Who can talk and talk and just say nothing
Or nearly nothing

I have used up all
The scale I know and at the end
I've come to nothing
Or nearly nothing

So I come back to the one note
As I must come back to you
I will pour into that this one note
All the love I feel for you

There are those who wants the whole show Dó-ré-mi-fá-lá-ti-dó
He will find himself with no show
Better play the note you know
