Yesterday
Just a photograph of yesterday
and all it's edges folded
and the corners faded sepia brown
and yet it's all I have of our past love
a post script to it's ending

Brighter days
I can see such brighter days
when every song we sang is sung again
and now we know
we know this time it's for good
and we're lovers once again
and you're near me

I can remember the rain in december the leaves of brown on the ground in Spain I did love and adore you the nights filled with joy were our yesterdays and tomorrow will bring you near me

I can recall my desire every reverie is on fire and I get a picture of all our yesterdays yes today, I can say I get a kick every time they play that spain again

I can remember the rain in december the leaves of brown on the ground Our love was a spanish fiesta the bright lights and sounds were our joy each day and the nights were the heat of yearning

I can recall my desire every reverie is on fire and I get a picture of all our yesterdays yes today, I can say
I get a kick every time I see you gaze at me
I see moments of history
your eyes meet mine and they dance to the melody and we live again as if dreaming

the sound of our hearts beat like castanets and forever we'll know their meaning I can recall my desire every reverie is on fire and I get a picture of all our yesterdays yes, today, I can say I get a kick every time I see you gaze at me

You gaze at me
I see moments of history
your eyes meet mine
and they dance to the melody
and we live again as if dreaming

the sound of our hearts beat like castenets and forever we'll know their meaning

I can recall my desire

every reverie is on fire
and I get a picture of all our yesterdays
yes today I can say
I get a kick every time I see you gaze at me be do de
