

# Tomorrow Today

Al Jarreau

We need a think tank I'm thinking  
We need a think tank I'm thinking

With tender smile, we bless a child  
with love and light, and patron saint.  
Don't let them cry, that we denied  
tomorrow's child today.

The hurt, the need, to heal, to feed  
They linger near the marketplace.  
Will we deny, or compromise  
tomorrow's child today?

La la la la la la la ley lu, La la lee lew-lay  
Mama loves a mambo, Mama Papa sway  
La la la la la la la ley lu, La la lee lew-lay  
Mama Papa thinkin' 'bout tomorrow today

As rivers roar, the eagles soar  
this ancient lore of rightful place.  
Do we ignore, or save them for  
Tomorrow's child today?

La la la la la la la ley lu, La la lee lew-lay  
Mama loves a mambo, Mama Papa sway  
La la la la la la la ley lu, La la lee lew-ay  
Mama Papa thinkin' 'bout:

Tomorrow today---Is anybody thinkin' 'bout  
Tomorrow today---Is anybody thinkin' 'bout

La la la la la la la ley lu, La la lee lew-lay  
Mama loves mambo, Mama Papa sway  
La la la la la la la ley lu, La la lee lew-lay  
Celebrate and think about:

Tomorrow Today - Is anybody thinkin' 'bout  
Tomorrow Today - Is anybody thinkin' 'bout  
Thinkin' about the homeless - Is anybody thinkin' 'bout  
Thinkin' about the joblessness - Is anybody thinkin' 'bout  
Thinkin' about the children - Is anybody thinkin' 'bout  
Thinkin' about the forest, yes - Is anybody thinkin' 'bout
