

## Feels So Right

Alabama

Wisper to me softly, breathe words upon my skin.  
No one's near and listening, so please, don't say goodbye.  
Just hold me close and love me, press your lips to mine.  
Mmmm, Mmmm, Mmmm, feels so right. Feels so right.

Lying here beside you, I hear the echos of your sighs.  
Promise me you'll stay with me and keep me warm tonight.  
So hold me close and love me, give my heart a smile.  
Mmmm, Mmmm, Mmmm, feels so right. Feels so right.

Your body feels so gentle, and my passion's rising high.  
You're lovin' me so easy, your wish is my command.  
Just hold me close and love me, tell me it won't end.  
Mmmm, Mmmm, Mmmm, feels so right. Feels so right.  
Feels so right.
