

If I Had You

Alabama

If I had you we'd run like gypsies in the wind
If I had you we'd count the stars all one by one
If I had you we's sail the seven seas as one

We'd be lovers and we'd be friends if I had you
we'd make love till they were gone oh, if I had you
we'd never say it can't be done if I had you

Cause you light a fire way down in my soul
the flame keeps growin stronger there ain't no control
and there's nothing, no there's nothing
I know there's nothing that I wouldn't do
if I had you
