

# Wonderful Waste of Time

Alabama

It's almost summer you know and I can't wait to go  
Diggin' my toes in the sand  
Spendin' long summer days soakin' up some rays  
To the sound of a reggae band

My baby looks so good but I knew she would  
And I'm so glad she's mine  
I'm gonna kiss her again while the waves roll in  
It's just a wonderful waste of time

Oooh, put all our cares behind us  
Wrapped in each others arms is where you'll find us

Kickin' back on a beach with my lover in reach  
Holdin' her hand in mine  
Crazy things that we do may not matter to you  
It's just a wonderful waste of time

Ooooh, we're dancin' a hole to China  
Even though we're on a beach in Carolina

Ooooh, moonlight walks by the ocean  
Ooooh, there's no need to control our emotions

I wanna tell you my friend I'd like to do it again  
There's no reason or rhyme  
Spendin' time on the shore, I'd like to do it some more  
It's just a wonderful waste of time

It's just a wonderful waste of time,  
Just a wonderful waste of time  
A wonderful waste of time,  
It's a wonderful waste of time  
It's a wonderful waste of time,  
A wonderful waste of time  
A wonderful waste of time,  
A wonderful waste of time...
