

This Ain't Gonna Work

Alain Clark

No sign of improving
we're like a song
that just ain't grooving

Oh, the harder we try
the more it seems
that it's just not right

Ooh, baby, this ain't gonna work
(baby, baby, this ain't gonna work)
Ooh, baby, this ain't gonna work
(baby, baby, this ain't gonna work)

Girl, we got to make some changes
we share the same bed
but we're living like strangers

Oh, I'm sure we get by
but if it ain't true
then we're living, we living a lie

Ooh, baby, this ain't gonna work
(baby, baby, this ain't gonna work)
Ooh, baby, this ain't gonna work
(baby, baby, this ain't gonna work)

Oh, it is up to you and me
but why aren't we dancing
yeah yeah

Oh, I wish the powers that be
would work on a way
but that ain't like it is today
Solo:

Oh, and I am really trying to feel you, girl
I really wanna want you, baby
I'm not trying to leave you, girl
but how am I going to stay, when...

Ooh, baby, this ain't gonna work,
(baby, baby, this ain't gonna work), you know
Ooh, baby, this ain't gonna work
(baby, baby, this ain't gonna work)
