

Blue Skies

Albert Hammond, Jr.

There are things I could've told you
There's a time and a place
Well my words would allow me
To say what I won't change

Don't let me know as it's happening
Ohhh
Don't let me know what you said
Ohhhhh

There are birds all around me
There were bats pressed to my face
And in time you will forget me
And I try and do the same

Don't let me know as it's happening
Ohhh
Don't let me know what you said
Ohhhhh Ohhhhh Ohhhhh

Its been years since I saw you
But each day I see your face

And in time you will remind me that I wish we were the same

Don't let me know know as it's happening
Ohhh
Don't let me know what you said
Ohhhhh Ohhhhh Ohhhhh
