

Looking Through the Eyes of a Child

Albert Hammond

Original is what you are
Hollywood or Shangri-La
Will you ever make your mind up where?

I see...

Venice as the waters rise
Heaven burning in your eyes
In a dream I know that you still care

Show me the way
Somebody show me the way to your heart

Send me wise men
A book about love
My breath has been taken
I've been shaken
You keep me waiting
At the edge of the world

On a driftwood shoreline
Like the wind you're wild
What do I do now?
I want you now
You've got me looking
Through the eyes of a child

As you are is how you move
Nothing I can really prove
Buying roses on a rainy day

Won't somebody show me the way
Somebody show me the way to your heart?

Send me wise men
A book about love
My breath has been taken
I've been shaken
You keep me waiting
At the edge of the world

On a driftwood shoreline
Like the wind you're wild
What do I do now?
I want you now
You've got me looking
Through the eyes of a child

Looking through the eyes
Looking through the eyes
Looking through the eyes of a child

Won't somebody show me the way
Somebody show me the way to your heart?

Send me wise men
A book about love

My breath has been taken
I've been shaken
You keep me waiting
At the edge of the world

On a driftwood shoreline
Like the wind you're wild
What do I do now?
I want you now
You've got me looking
Through the eyes of a child

Looking through the eyes
Looking through the eyes
Looking through the eyes of a child

Oh, looking through the eyes
Looking through the eyes of a child

Looking through the eyes
Looking through the eyes of a child
