

# Outlaws

Alessia Cara

Run, run like the devil's behind us  
Run to where no one can find us  
Be my accomplice to my crime  
Oh baby  
Run, run 'cause we're guilty as sin  
Run 'cause we know we won't win  
We know together we kill time

You'll never face a judge without me  
You'll never battle the gavel alone  
And if they lock us away  
Then I'll be still here  
Proudly waiting to kill more time with you

We'll be outlaws  
We'll take on the world  
We'll be outlaws

Run, run like you never did  
'Cause they found the evidence  
And they found your fingerprints  
All on me and baby run  
Run like your life depends on it  
Let's make forever in this moment  
Tell me you love me again, oh again  
And I would waste away without you  
You're the shinin' to my star  
I'd be searching 'til I found you  
Wherever you are... you are

We'll be outlaws  
Partners in crime  
We'll take on the world together  
I'm Bonnie you can be Clyde  
We'll be outlaws  
You and me  
They'll never understand the honor  
Among these thieves

Oh oh oh ooh  
Oh oh oh  
Oh oh oh ooooh  
Oh oh oh ooh

You'll never face a judge without me  
You'll never battle the gavel alone  
And if they lock us away  
Then I'll be still here  
Proudly waiting to kill more time  
With you  
Oh with you  
W-i-t-h you  
Oh with you oh oh

We'll be outlaws  
Partners in crime  
We'll take on the world together

I'm Bonnie you can be Clyde  
We'll be outlaws  
You and me  
They'll never understand the honor  
Among these thieves  
We'll be outlaws
