

Choice Notes

Alex Winston

When I'm feelin' low
These are my choice notes
when I'm down on the floor
I shake it for your holy ghost
and I sip it off, I sip it off
I spit it out, it sounds real nice
I sip it off I sip it off
I spit it out, I'm satisfied

Oh Jameson
You should be weighing on my soul now
But I turn the music loud
Get ready to go

Oh Oh Oh Oh Oh Oh
These are my choice notes
Oh Oh Oh Oh Oh Oh
its 3:45 and I'm still on a roll
Oh Oh Oh Oh Oh Oh
these are my choice notes
its 3:45 and I'm still on a roll

And what you don't know
cant slow my tempo
though you beat at my bones
won't catch me singing sad prose
and I sip it off, I sip it off
I spit it out, it sounds real nice
I sip it off I sip it off
I spit it out, I'm satisfied

Oh Jameson
You should be weighing on my soul now
But I turn the music loud
Get ready to go

Oh Oh Oh Oh Oh Oh
These are my choice notes
Oh Oh Oh Oh Oh Oh
its 3:45 and I'm still on a roll
Oh Oh Oh Oh Oh Oh
these are my choice notes
its 3:45 and I'm still on a roll
