

# Castle Made Of Snow

Alexander Rybak

Somewhere above the ocean  
Far from the place we know  
There is a tiny castle  
All made out of snow

Nobody is even been there  
No one who may know  
But there is a tiny castle  
All made out of snow

Da, da ra ra ra ra ra  
Da, da ra ra ra ra ra

Once in a while at midnight  
Something strange begins  
Out is a little snowman  
Playing violin

Playing for all who's crying  
Trying to heal their hearts  
Once is time of leaving  
Violin music starts

Da, da ra ra ra ra ra  
Da, da ra ra ra ra ra

Nobody cares about him  
Nobody ever will  
He is a little snowman  
Lonely one still

He is playing for all the sad ones  
Trying to ease their way  
Once in a while at midnight  
The snowman starts to play

Da, da ra ra ra ra ra  
Da, da ra ra ra ra ra

Somewhere above the ocean  
Far from the place we know  
There is a tiny castle  
All made out of snow

Nobody is even been there  
Nobody else but me  
But I know a tiny castle  
For everyone to see

Da, da ra ra ra ra ra  
Da, da ra ra ra ra ra  
Da, da ra ra ra ra ra  
Da, da ra ra ra ra ra
