

## Fix You

Alexandra Burke

When you try your best but you don't succeed  
When you get what you want but not what you need  
When you feel so tired but you can't sleep  
Stuck in reverse

And the tears come streaming down your face  
When you lose something you can't replace  
When you love someone but it goes to waste  
Could it be worse?

Lights will guide you home  
And ignite your bones  
And I will try to fix you

And high up above or down below  
When you're too in love to let it go  
But if you never try you'll never know  
Just what you're worth, oh yeah

Lights will guide you home  
And ignite your bones  
And I will try to fix you  
To fix you

Tears stream down your face  
When you lose something you cannot replace  
Tears stream down your face  
And I, yeah

Tears stream down your face  
I promise you I will learn from my mistakes  
Tears stream down your face  
And I, I, I, oh, yeah

Lights will guide you home  
And ignite your bones  
And I will try to fix you
