

# Walking

Alexz Johnson

Can't stay with you, but I'll miss you  
Soles on fire, I can't see through  
All the smokey, smoking higher  
And I don't know what to do

See the shadow, it stays beside me  
In my dreams, it never likes me  
Oh, it's a long road that I've created  
I've got it under control

So why am I walking?  
And this I don't know  
Why I keep walking in circles  
When I've got nowhere to go

Sand pulls quicker, sinks me deeper  
I like the feeling, I let it linger  
Where's my education? What was I thinking? Been lying to myself  
all along  
And I knew I was wrong, I could tell in your eyes the love is g  
one.  
And I know I can't fix what I have done  
So I keep walking until I'm numb

And why am I walking?  
And this I don't know  
Why I keep walking in circles  
When I've got nowhere to go

But I'll do this alone, and every tear I know is mine  
And I will feel it in my bones, I'll be okay, just let me hide  
Patterns change, just like the tide

And why am I walking?  
And this I don't know  
And I keep walking in circles  
When I've got nowhere, got nowhere, to go

And why am I talking? When I have nothing to say  
My head is a maze, and I'm not finding my way

But I can't stay with you, but I'll miss you  
Soles on fire, I can't see through  
All the smokey, smoking higher  
My feet won't bring me to you
