Who Am I Fooling

Alexz Johnson

My skin doesn't fit
My words seem so hollow
I feel like a fraud
And that's a bitter pill to swallow

Sometimes it hits me right between the eyes Everyone can see through my disguise

Who am I fooling
I'm just a smiling face
In a make-believe world
Who am I fooling
I'm just a wannabe
So easy to replace
Pretending I'm a perfect girl

All alone in the mirror All alone on the shelf I'm trying to hold on To a little piece of myself

Doesn't anybody realize Even I don't buy my own disguise

Who am I fooling
I'm just a smiling face
In a make-believe world
Who am I fooling
I'm just a wannabe
So easy to replace
Pretending I'm a perfect girl

There's a part of me that's fighting back There's a part of me that knows When I'm pouring out my heart I'm still putting on a show

Who am I fooling In a make-believe world Who am I fooling So easy to replace Pretending I'm a perfect girl Who am I fooling I'm just a smiling face In a make-believe world Who am I fooling I'm just a wannabe So easy to replace Pretending I'm a perfect girl Who am I fooling I'm just a smiling face In a make-believe world Who am I fooling I'm just a wannabe So easy to replace Pretending I'm a perfect girl Pretending I'm a perfect girl
