

We'll Smoke The Blighter Out

Alice In Wonderland

Oh, ho ho
Oh, we'll smoke the blighter out
We'll put the beast to rout
Some kindling, just a stick or two
Ah, this bit of rubbish ought to do

We'll smoke the blighter out!
We'll smoke the monster out!

We'll roast the blighter's toes
We'll toast the bounder's nose
Just fetch that gate
We'll make it clear
That monsters aren't welcome here!

Without a single doubt
We'll smoke the monster out!
We'll smoke the monster out!
