

Would you tell me why? There's nothing that I couldn't do
So tell me why, tell me why
And I've hurt myself by hate to you

So don't you go away
Promise you we'll always stay
Can't bring me down, bring me down
Trying hard to feel myself

I don't care
I don't mind
wakarikitta kotae
kizutsuki kizutsuke
nanika mitsuketa kai

I find the way mada daremo shiranai tokoro made hashiritai n'da
Are you ready to go
I find my heart saa te o kakagete kobushi ni kae kabe o kowase
negaeru nara dekiru sa

No voice in my head nijuu jinkakusha no you ni
unou kara sanou e to kotoba wa nige

I don't care
I don't mind
kantan janakute
yowasa wa tsuyosa
hikari to yami de

I think I'm consumed
oborekake
I want freedom won't kill me
sonzai o narase

I find the way mada daremo shiranai tokoro made hashiritai n'da
Are you ready to go
I find my heart saa te o kakagete kobushi ni kae kabe o kowase
toomawari na yarikata demo dekiru sa

Doubt, Throw it away
Stop asking why
Keep the faith
There's no vision in the world
