Empire State of Mind (Part II) Broken Down

Alicia Keys

Ooooh, New York! Ooooh, New York!

Grew up in a town that is famous as a place of movie scenes Noise is always loud, there are sirens all around and the stree ts are mean

If I can make it here, I can make it anywhere, that's what they say

Seeing my face in lights or my name in marquees found down on B roadway

Even if it ain't all it seems, I got a pocketful of dreams
Baby I'm from New York!

Concrete jungle where dreams are made of
There's nothing you can't do
Now you're in New York!

These streets will make you feel brand new
Big lights will inspire you
Hear it for New York, New York, New Yooork!

On the avenue, there ain't never a curfew, ladies work so hard Such a melting pot, on the corner selling rock, preachers pray to God

Hail a gypsy cab, takes me down from Harlem to the Brooklyn Bri dge

Some will sleep tonight with a hunger for more than an empty ${\operatorname{fr}}$ idge

I'ma make it by any means, I got a pocketful of dreams
Baby I'm from New York!

Concrete jungle where dreams are made of
There's nothing you can't do
Now you're in New York!

These streets will make you feel brand new
Big lights will inspire you
Hear it for New York, New York, New Yooork!

One hand in the air for the big city Street lights, big dreams, all looking pretty No place in the world that can compare Put your lighters in the air, everybody say Yeah! Yeah! Yeah!

In New York!
Concrete jungle where dreams are made of
There's nothing you can't do
Now you're in New York!
These streets will make you feel brand new

Big lights will inspire you Let's hear it for New York, New York, New Yooork!
