

# Try Sleeping With A Broken Heart

Alicia Keys

Even if you were a million miles away  
I could still feel you in my bed  
Near me, touch me, feel me  
And even in the bottom of the sea  
I can still hear inside my head  
Telling me, touch me, feel me  
And all the time you were telling me lies

R: So tonight I'm gonna find a way to make it without you  
Tonight I'm gonna find a way to make it without you  
I'm gonna hold on to the times that we had  
Tonight I'm gonna find a way to make it without you

Have you ever tried sleeping with a broken heart  
Well you can try sleeping in my bed  
Lonely, only, nobody ever shut it down like you  
You wore the crown, you make my body feel heaven-bound  
Why don't you hold me, need me, I thought you told me, you'd never leave me

Looking in the sky I can see your face  
And i knew right where I'd fit in  
Take me, make me... You know that I'll always be in love with you  
Right til the end

R: So tonight I'm gonna find a way...

Anybody could have told you right from the start  
It's bout fall apart  
So rather than hold onto a broken dream  
Or just hold onto love  
And I could find a way to make it  
Don't hold on too tight  
I'll make it without you tonight

R: So tonight I'm gonna find a way...
