

Christmas With My Baby

All 4 One

I've been gone away from home for too long
And it's drivin' me crazy
'cause i'm missin my baby
I call her on the phone every day
Just to say
Even though we're apart
Baby you're always in my heart
I can't wait to see my baby
Smilin' right at me
I just wanna kiss her
Ooo, i really miss her
And everything will be fine with me
Once i get to see
My baby baby at christmas time

I just can't wait to spend
Christmas with my baby
Just seeing you again
Holding you so gently
We're playing in the snow
Just havin' a great day
I wanna be with you for christmas

Now that christmas time is here
Filled with cheer
My heart is beating so fast
I don't know if i can last
Excitement's building up in me
I'm shaking
I've got a present for you
And girl you'll get it soon

I can't wait to see
My baby smiling right at me
I just wanna kiss her
Ooo, i really miss her
And everything will be fine with me
Once i get to see
My baby baby at christmas time

And i just can't wait to spend
Christmas with my baby
Just seein' you again
Holding you so gently
Sittin' by the fireplace
Just havin' a great day
I wanna be with you for christmas

I just can't wait to spend
Christmas with my baby
With you in my arms again
Holding you so gently
Let's decorate the christmas tree
Just havin' a great day
I wanna be with you for christmas

I just can't wait to spend

Just seeing you again
We're playing in the snow
I wanna be with you for christmas

I just can't wait to spend
Christmas with my baby
Just seeing you again
Holding you so gently
We're playing in the snow
Just havin' a great day
I wanna be with you for christmas...

I just can't wait to spend
Christmas with my baby
Kissing under mistletoe
Christmas with my baby
Playing in the snow
Christmas with my baby
I wanna be with you for christmas

I want to be with you baby
Christmas with my baby
Playin in the snow
Christmas with my baby
Kissing under mistletoe
Christmas with my baby
I wanna be with you for christmas

Christmas, christmas
Christmas with my baby
Christmas, holding you so gently
Playin' in the snow
Just havin' a great day
I wanna be with you for christmas
