

# Make My Day

## All Ends

Every day stupid comments 'bout me  
and how I should live my life instead  
How is yours so much better?!!  
I think your just jealous of where I  
am today..  
You never once tried to go with your  
dreams, so stop putting me down  
I don't care about you  
Do what ever you want  
Get your attention where they stand  
your choked up lines!

So think before you speak!  
Or do not speak to me at all!

What if you could be me  
and try my shoes for a while  
Listen up! Live my life  
and then come back...  
- Make my day!  
You won't last for a week  
You would return on your knees  
Go ahead! It's your choice..  
I promise you'll regret it..

I don't expect you to understand  
the things that I'm going through..  
I hope you'll come to your senses  
and see that it's me who should be  
bitching 'bout you and your choked  
up lines!

So think before you speak!  
Or do not speak to me at all!

What if you could be me  
and try my shoes for a while  
Listen up! Live my life  
and then come back...  
- Make my day!  
You won't last for a week  
You would return on your knees  
Go ahead! It's your choice..  
I promise you'll regret it..

You should try to taste your  
own cup of tea,  
instead of profit from me  
Let's put an end to this  
free ride..  
- Make my day!

What if you could be me  
and try my shoes for a while  
Listen up! Live my life  
and then come back...  
- Make my day!

You won't last for a week  
You would return on your knees  
Go ahead! It's your choice..  
I promise you'll regret it...
