

Trapped

All Saints

One two one two she's trapped
Gonna need some help what you think about that
One two one two she's trapped
Gonna need some help what you think about that
One two one two she's what
Gonna need some help what you think about that
One two one two she's trapped
Gonna need some help

She sits in her armchair looking into space
Looking for a reason to find her life's place
Feeling a little bit sad but not really all that bad
Searchin' for a dream a dream that she's never had

She knows she should get it (But it ain't that easy)
Her life kinda full of it (Cuz it's all to sleezy)
She's going outta her mind
(But she still can't hide she can't leave her life)

Trapped by your life (Life is unavoidable)
Just to get by (To make it more affordable)
Trapped by your life (Life is unavoidable)
Just to get by (To make it more affordable)

She can't afford that at 'cause the park it seemed packed
She can't afford that at so what she gunna do now

She looks in the mirror her reflections someone old
Seeing days go by she don't need to be told
Feeling a little bit sad she cries and packs her bags
Memory now a dream a dream that she never had

Where will she go (But it ain't that easy)
How long till she comes home (But It's all to sleazy)
Maybe she'll make them (Will she hear or maybe not)

Trapped by your life (Life is unavoidable)
Just to get by (To make it more affordable)
Trapped by your life (Life is unavoidable)
Just to get by (To make it more affordable)

Trapped ahhh (unavoidable) eheheheh

Life is unavoidable
To make it more affordable
Life is unavoidable
To make it more affordable
