

Beautiful Thing

All Star United

I want a Pavarotti voice
'Cause I'm a scary Connick
A solo show with the Philharmonic
No fake Monet
Hey, the real Van Gogh
A Seventeen, Cover Girl, Vogue, Cosmo
Chorus:
Whoo-hoo-hoo
It's a beautiful thing/ Whoo-hoo-hoo
To be loved by you/ Whoo-hoo-hoo
Oh, that'll be enough to get me through
It's a beautiful thing
I'll take the Rockies gift-wrapped
Or the Grand Tetons
Add a truckload of those cherry bon-bons
A '54 fire red collector's car
A doggy-bag trip to the money super bar
Repeat chorus
Bridge:
There's no trade
Nothing could persuade
I'm no fool
You're so beautiful
Yeah, so beautiful
Yeah
