

# I'm A Killer

All Star United

Everybody's a genius  
and everyone's insane  
Sugarplums and razor blades  
Dancing in our brains  
I've been gunning for sunshine  
I want my piece of the sky  
I think I'm going viral baby  
and I couldn't even tell you why

I'm a rockstar, I'm a thriller  
I'm a time bomb, I'm a killer  
I've been a million people  
yeah it's true  
I'm an actress, I'm a liar  
I'm a sinner in the choir  
Everything I am is killing you

Tell me how I could love you  
and hurt you like I do  
I kiss you like a politician  
I'm never gonna follow through  
I get so lost inside myself  
Like a tourist in Amsterdam  
I'd love to introduce myself  
But I don't know who I am

It's time for me to face the ugly truth  
The only good thing in my heart is You  
I'm a killer, I'm a killer, I'm a killer, I'm a killer!
