

Oh oh, ah oh oh,
Ah oh oh
Ah oh oh
Oh oh, ah oh oh
Ah oh oh
Ah oh oh

Out of breath I went too fast, I went too fast, I went too fast
Jungles and deserts are innocent, innocent
Out of breath I went too fast, I went too fast, I went too fast

Out of breath I went too fast, I went too fast, I went too fast
Jungles and deserts are innocent, yeah
Out of breath I went too fast, I went too fast, I went too fast

I never wanted you to go

Don't you know I love this scent, I love this scent of roses
Don't you know that this reminds me of my past
Out of breath I went too fast, I went too fast

Don't you know I love this scent, I love this scent of roses
Don't you know that this reminds me of my past
Out of breath I went too fast, I went too fast

Running through the heart love, baby

reminds me of my past
Don't you know I love this scent
reminds me of my past
reminds me of my past
