Dancing In The Moonlight

Alyson Stoner

We're having fun most every night When that old moon gets big and bright It's a supernatural delight Everybody was dancing in the moonlight.

Everybody here is out of sight They don't bark and they don't bite They keep things loose; they keep things light Everybody was dancing in the moonlight.

[Chorus] Dancing in the moonlight Everybody's feeling warm and right It's such a fun and natural sight Everybody's dancing in the moonlight.

Но-о-о Но-о-о

We like our fun and we never fight We can't dance and stay outside It's a supernatural delight Everybody was dancing in the moonlight.

[Chorus]

```
Ho-o-o
Ho-o-o
Dancing in the moonlight (ho-o-o)
Ho-o-o
```

Everybody here is out of sight They don't bark and they don't bite They keep things loose; they keep things light Everybody was dancing in the moonlight.

Dancing! Dancing! Dancing in the moonlight. Dancing! Everybody was dancing in the moonlight.
