Lookin' for affection Look in my direction Honey, don't you hesitate You say you're such a young girl Livin' in a rough world Let me try and ease your pain But someone's cryin' in the rain Someone's cryin' out loud Someone's callin' your name Someone's callin' it now It's madness Baby, look into the madness Girl, don't let your sadness Keep your love away right now How I'd like to hold you Things I'd like to show you Can I get to you somehow? But someone's cryin' in the rain Someone's cryin' out loud Someone's callin' your name Someone's callin' it now It's madness Baby, the rain it keeps on fallin' Who in the world will stop the rain? Baby, the rain - it keeps on fallin' Who in the world will stop the rain? Lookin' for affection Look in my direction Honey, don't you hesitate (Girl) You say you're such a young girl Livin' in a rough world Let me try and ease your pain Someone's cryin' in the rain (Cryin' in the rain) Someone's cryin' out loud Someone's callin' your name (Callin' your name) Someone's callin' it now It's madness
