Impulso Biomecanico

Amduscia

What do you wait for? flay me i don't want to be a human to implant all the force i just wanna be a fucking war machine

Destruction, when creating the biomechanical my creation, perfection towards human information in corrupted limited circuits and now that you can see it would it be that you believe

What do you wait for? flay me i don't want to be an infected human to implant all the force i just wanna be a fucking war machine

destruction, towards human technology extinguishing human
