Shadow Of Your Smile

Amel Larrieux

One day we walked along the sand, one day in early spring You held a piper in your hand to mend its broken wing Now I'll remember many a day and many a lonely mile The echo of a piper's song, the shadow of her smile

The shadow of your smile, when you are gone Will color all my dreams and light the dawn Look into my eyes my love and see All the lovely things you are to me

Our wistful little star was far too high A teardrop kissed your lips and so did I Now when I remember spring, all the joy that love can bring I will be remembering the shadow of your smile
