

Wild Is The Wind

Amel Larrieux

Love me, love me, say you do
Let me fly away with you

For my love is like the wind
And wild is the wind

Give me more than one grasp
To satisfy this hungriness

Let the wind blow through your heart
And wild is the wind

You touch me
I hear the sound of mandolins
You kiss me
With your kiss my life begins

You're spring to me, all things to me
You're love itself

Like a leaf clings to a tree
Oh my darling cling to me

For we are creatures of the wind
And wild is the wind (3x)
