

Down Human

Amen

Destroy what i embrace
Cause i am stuck to the walls and i piss for another taste
Pill just to cure from your imprisonment and your incisionment
to the

Stranded, violated, hit, violated

Down in a home
Inhuman hole
Bring down the human

Because i sleep with these handcuffs on
And i piss with these handcuffs on
And i am locked and i belong and i belong
And i belong to no one

Stranded, violated, hit, violated

Down in a home
Inhuman hole
Bring down the human

Because i sleep with these handcuffs on
And i piss with these handcuffs on
And i am locked and i belong and i belong
And i...

Because i can't wash this dress
With blood and piss
Bring down the invalid human
Piss, drinking piss, feel like piss
Destroy destroy

Stranded, violated, hit, violated

Cause i'm down in a home
Bring down
Destroy!
