No Cure For The Pure

So impure that i need a fear Everything i can endure I stay away 'cause i've got Nothing here to stay

Why can't i believe? Why am i so impure? Person justified Inside something i endure

Because i turn myself in a whore again I heard it all before Because i lost myself in pure horror 'cause, no cure, No cure for the pure

Somebody said everything is everything Everything is everything Everything is nothing ? ? ?

I don't wanna live In something so impure Who'd want you to live inside your

Because i turn myself in a whore again I heard it all before You know i lost myself in pure horror 'cause there's no cure for the pure There's no cure the pure Why am i so impure?

There's no cure... No cure... No cure.. There's no cure... ('cause there is) no cure (for the pure) ('cause there is) no cure ('cause there is) no cure (for the pure) ('cause there is) no cure (for the pure) No cure. for the pure.
