## **Nothing Can Break Me**

I don't know Where I go I know I've seen some bad things That's for sure And yet I know I'm on my way I'm sure that I will meet them Yesterday You can beat me to my knees Make me cry, yeah Take of me freely If you like it Cos I don't care What you say to me Nothing can change me I don't care what you do to me Nothing can break me I enjoy Enjoy as pain I feel that I've been tested And tried again And I've known love And love as hate Wasted days and senses I've made mistakes

You can beat me to my knees Make me cry, yeah Take of me freely If you like it

Cos I don't care What you say to me Nothing can change me I don't care what you do to me Nothing can break me Nothing can break me

I don't care What you say to me Nothing can change me I don't care what you do to me Nothing can break me

I don't care What you say to me Nothing can change me ( I don't care what you say ) I don't care what you do to me ( Nothing can break me ) Nothing can break me )
