

What Are We Waiting For

Amiina

I wonder, I wonder a mountain
I wonder today
I want to see all see clearly
I wonder today:

What are we waiting for?
Just pick up your shoes and go

What are we waiting for?
Just pick up your shoes and go
What are we waiting for?
Today is the best we have!

I walk up, I walk up a mountain
I want to let all feel small,
see all see clearly
I want to let go

What are we waiting for?
Just pick up your shoes and go
What are we waiting for?
Today is the best we have!

What are we waiting for?
Just pick up your shoes and go!
