Amon Amarth

Thunder arose across the plains
Thor rides in pouring rain
He rides to Jotumheim to fight
Lightning strikes when Mjollnir cries

Fire! burning in his eyes

Fire! his head explodes to the lightning strike

Fire! burning in his eyes

Fire! his head explodes, see the lightning strike

Lightning cracks the blackend sky Hear the thunder champion ride All the men with hearts of war Ride the path of mighty Thor

Son of thunder! Lighting strikes Son of thunder! Son of thunder! Thor Arise! Son of thunder!

Son Of Oden Thundergod Master of War Asator!

Fire! burning in these lands

Fire! his head explodes, see the lightning strike

Fire! burning in his eyes

Fire! his head explodes, see the lightning strike
