

Risen from the Sea (2000)

Amon Amarth

Risen from the sea
The beast of hell is here
He's come to rule the earth
Kneel and obey his power

A second beast rises
Rises from the earth
Followed by an army
An army of immortals
An army of the dead

Second beast breaks from the earth
Kneel and obey his power
Fire in the rocks
Fire from the sky
Kneel and obey

Kneel or die!!
Kneel or die!!

There is wisdom with him
Who hath understanding reckon
The number of the beast for it is
A number of a man its number
Is six hundred sixty six, 666

He's risen from the sea
The beasts of hell are here
Come to rule the world
And you will be in fire

So it is written, So it has been
The beast is here, to rule the world
So it is written, So it has been
The beast is here, to rule the world

So it is written, So it has been
The beast is here, to rule the world
So it is written, So it has been
The beast is here, to rule the world
