

Hootie And The Blowfish

Anal Cunt

Your band is fucking awesome, you have the best sound
you're really really good, you're the best band around

Hootie and the blowfish (4x)

Even though you're black, I still think you're good, but please
don't move into my neighborhood
the singer's a nigger, the other 3 are geeks, we'll get front row
tickets and show up in sheets

Hootie and the blowfish (4x)
