I wish that there could be more days in summer I wish that autumn wouldn't come so soon 'cause when the sun goes away I'm left in the shade Oh, I wish that you could warm me in the winter They say that springtime is so beautiful But I see nothing but rain And short windy days And I only feel safe When your arms are wrapped around me So forget the clouds I don't feel the rain Even though the seasons may change I see the sun, it's in your eyes and I just know (I see the sun when I hear your name) (you give me a reason), a reason to start again Yeah hey yeah I wish that there could be more days in summer I wish that autumn wouldn't come so soon 'cause when the sun goes away I`m left in the shade Oh, i'd love to see the leaves fall in september And the snow drops in december just the same But it leaves me in a daze Can't wait to see your face, oh Yeah And I only feel safe When you're arms are wrapped around me (so forget the clouds) Forget the clouds (I don't feel the rain) Feel the rain Even though the seasons may change Yeah hey yeah (I see the sun when I hear your name) I see the sun, it's in your eyes and I just know (you give me a reason), a reason to start again I only feel safe When i'm in your arms It's another day that we can't escape It won't be too long 'til love finds its way To start again (so forget the clouds) Yeah yeah (I don't feel the rain) Yeah yeah (even though the four seasons may change)
