

# One Day In Your Life

Anastacia

I know  
that's just it goes  
and you ain't right  
for sure  
you turned your back on love  
for the last time  
it won't take much longer now  
time makes me stronger, way  
there's nothing more to say  
One day in your life  
said love would remind you  
how could you leave it all behind  
one day in your live  
it's gonna find you  
with the tears that left me cry  
and baby I'm stronger then before  
you gotta play it on the line  
maybe one day in your life

My love  
did you think I'd break down  
and cry  
this thing we had  
it mean the world to me  
guess I would right  
it won't take much longer now  
see time makes me stronger way  
and I know you'll be coming round some day

One day in your life  
said love would remind you  
how could you leave it all behind, yeah  
one day in your live  
it's gonna find you  
with the tears that left me cry  
and baby I'm stronger then before  
you gotta play it on the line  
maybe one day in your life

You called me in the midnight hour  
with your ... lights  
so many sleepless nights, I wonder  
is it time to say goodbye?

One day in your life  
said love would remind you  
how could you leave it all behind, yeah  
one day in your live  
it's gonna find you  
with the tears that left me cry  
and baby I'm stronger then before  
you gotta play it on the line  
maybe one day in your life

ooooooooone day

One day in your life

said love would remind you  
how could you leave it all behind, yeah  
one day in your live  
it's gonna find you  
with the tears that left me cry  
and baby I'm stronger then before  
you gotta play it on the line  
maybe one day in your life
