

# Why'd You Lie To Me

Anastacia

R: Why did you lie to me?

Can't be trusted, good for nothing type of brother

Everything you claimed to be was a lie, lie

Why did you lie to me?

You've been creepin', sneekin', sleepin' with another

Messed up, it's time to leave, so bye, bye

Used to treat me like a queen

Said I was your everything

Promised me that you would never cheat, on me

But I found a number on the floor

And I won't take it no more

Baby it feels so crazy thinkin' you'd be true to me, yeah

\*: (tell me baby) Did you really think?

(I would maybe) I turn the other cheek and

(and let you play me)

I thought you were different but you're like the rest it's true

R:

Ooh, last time you played me like a fool

Now it's time I lose my cool

Ain't no way you'll ever get another chance

Why did you just claim to be so true

When I gave my world to you

All you wanna do is hang on the edge of the line

\*:

R:

\*: (tell me baby) Did you really think?

(I would maybe) I turn the other cheek and

(and let you play me) Ooh, but I flipped it all for you

(why'd you... lie to me) Aah haa

(why'd you... lie to me) Oooh oooh ooh oh

(why'd you, why'd you, why'd you, why'd you lie to me)

Why'd you... lie to me

(why'd you, why'd you, why'd you, why'd you lie to me)

(why'd you... lie to me) Why'd you lie to me

R:
