

Close Your Eyes

Anathema

Close your eyes
Close your eyes
Sleep tonight

Sleep tonight
And dream on
Just dream on
For the dark roads
For the dark roads
For you and I
Yes you and I
Which way to go
Which way to go

All that you need is inside
And all that you need is inside
And what do you see when you turn on the lights?

It's okay, it's okay
It's just a dream
Go back to sleep
