

## The Lost Song, Part 2

Anathema

In a lifetime  
There's a moment  
To awaken

To the sound of  
Your heartbeat  
Unbroken

And you're free now  
And I will remain  
Still dreaming

Alive and aware  
The love that I once believed in

And one day you'll feel me  
A whisper upon the breeze  
And I'll watch you stand there  
Unafraid

And I'll speak to you silently  
And know that you'll hear me  
The feeling is more than I've ever known

And one day you'll feel me  
In a whisper upon the breeze  
And I'll watch you stand there  
Unafraid

And I'll speak to you silently  
And know that you'll hear me

Come back to me  
Please believe

The feeling is more than I've ever known

I can't believe it was just an illusion
