

Untouchable, Part 1

Anathema

And I feel like I knew you before
And I guess that you can hear me through this song

And my love will never die
And my feelings will always shine

And I know that you just want me to belong to someone
And I guess that now I'll just be moving on to someone

But my love will never die
And my feelings will always shine

I'll never betray your trust
I'll never betray your faith
I'll never forsake your heart
I'll never forget your face

There's a feeling that I can't describe

There's a reason that I cannot hide

Because I've never seen a light that's so bright

As the light that shines behind your eyes

I can see
This life
And what you mean to me

And when I dreamed
I dreamed of you
Then I wake
Tell me what could I do?

I had to let you go
To the setting sun
I had to let you go
And find a way back home
