

# Diabolos Temptation

## Ancient Ceremony

Trust me for I'm the devil  
So let me take your hand  
I lead you to the treasures  
Of a forbidden secret land

Be mother to my seed  
Nothing can tear us apart  
To strong burning for the weak  
Are the dark flames in our heart

Let us kill our enemies  
Vengeance is yours and mine  
Drunken from this triumph  
Their blood it tastes like wine

Diabolos  
Diabolos temptation

Diabolos temptation  
The key to my new generation

Diabolos de-generation  
The source of our supreme nation

Be goddess to our race  
Symbol of sinister art  
Too strong burning for the weak  
Are the dark flames in our heart
